Named a top beach read of summer by Oprah Daily, Good Housekeeping, The Wall Street Journal, and more "Nail-biting wallop of a debut . . . a thoughtful, unexpectedly optimistic tale." —The New York Times "If you enjoyed The Searcher by Tana French, read What Comes After by JoAnne Tompkins. . . . a mystery—and a gritty meditation on loss and redemption, drenched in stillness and grief." —The Washington Post After the shocking death of two teenage boys tears apart a community in the Pacific Northwest, a mysterious pregnant girl emerges out of the woods and into the lives of those same boys' families—a moving and hopeful novel about forgiveness and human connection. In misty, coastal Washington State, Isaac lives alone with his dog, grieving the recent death of his teenage son, Daniel. Next door, Lorrie, a working single mother, struggles with a heinous act committed by her own teenage son. Separated by only a silvery stretch of trees, the two parents are emotionally stranded, isolated by their great losses—until an unfamiliar sixteen-year-old girl shows up, bridges the gap, and changes everything. Evangeline's arrival at first feels like a blessing, but she is also clearly hiding something. When Isaac, who has retreated into his Quaker faith, isn't equipped to handle her alone, Lorrie forges her own relationship with the girl. Soon all three characters are forced to examine what really happened in their overlapping pasts, and what it all possibly means for a shared future. With a propulsive mystery at its core, What Comes After offers an unforgettable story of loss and anger, but also of kindness and hope, courage and forgiveness. It is a deeply moving account of strangers and friends not only helping each other forward after tragedy but inspiring a new kind of family.

Named a Most Anticipated book by O Magazine \* GMA \* Elle \* Marie Claire \* Good Housekeeping \* NBC News \* Shondaland \* Chicago Tribune \* Woman's Day \* Refinery 29 \* Bustle \* The Millions \* New York Post \* Parade \* Hello! Magazine \* PopSugar \* and more! "The Kindest Lie is a deep dive into how we define family, what it means to be a mother, and what it means to grow up Black...beautifully crafted." —JODI PICOULT "A fantastic story...well-written, timely, and oh-so-memorable."—Good Morning America "The Kindest Lie is a layered, complex exploration of race and class." —The Washington Post A promise could betray you. It's 2008, and the inauguration of President Barack Obama ushers in a new kind of hope. In Chicago, Ruth Tuttle, an Ivy-League educated Black engineer, is married to a kind and successful man. He's eager to start a family, but Ruth is uncertain. She has never gotten over the baby she gave birth to—and was forced to leave behind—when she was a teenager. She had promised her family she'd never look back, but Ruth knows that to move forward, she must make peace with the past. Returning home, Ruth discovers the Indiana factory town of her youth is plagued by unemployment, racism, and despair. As she begins digging into the past, she unexpectedly befriends Midnight, a young white boy who is also adrift and looking for connection. Just as Ruth is about to uncover a burning secret her family desperately wants to keep hidden, a traumatic incident strains the town's already searing racial tensions, sending Ruth and Midnight on a collision course that could upend both their lives. Powerful and revealing, The Kindest Lie captures the heartbreakingly divided world of Black and white communities and offers both an unflinching view of motherhood in contemporary America and the never-ending quest to
